

Mission Statement

The mission of the Union School District, in harmony with our community, is to educate and empower students to become

continuous learners in an environment which ensures that each student gains knowledge and skills, self-motivation and related positive attitudes necessary to compete equitably with peers locally and globally towards meaningful and productive lives.

Union is unique in the fact that we offer a Chinese Enrichment Program for our students to learn about Chinese culture.

Education

Union School District is among the top districts in our region and surpasses many of the rigorous state standards. We offer a safe learning environment for all of our students so they can focus on their education.

Our Vision Statement is:

All students will be provided the necessary information, materials and technology to be competitive and successful in a local and global society.
