## UNION HIGH SCHOOL ACTIVITIES

### STUDENT BENEFIT FUND RELEASE AUTHORIZATION

This is to verify that the sponsor and officers of the \_\_\_\_\_  
(club/organization/class) will continue during the **2017-2018** school term to dedicate to the Student Benefit Fund any interest monies generated by the aforementioned student group with the understanding that said monies will be administered by the elected Officers of the Union High School Student Council for the express purpose of benefiting all of the members of the Union High School student body. (Said monies are traditionally used toward public relations efforts for the student body, assisting in student participation in scholarship programs/exams, assisting student groups deficient in funds for field trips, purchasing of supplies and materials to supplement co-and extracurricular activities, and the like.)
