

THE BLESSING KIDS PROJECT

Dear Parent/Guardian,

The Blessing Kids Project is a program at Sligo and Rimersburg Elementary School for students in grades K-6 that provides a weekend supply of nutritious snacks and food to students in need of extra nourishment over the weekend. Local churches within the Rimersburg and Sligo areas as well as local businesses, organizations and individual community members generously donate items.

Food items will be sent home in a disposable bag with students on the 2nd and 4th Friday of each month.

Please return this form if you would like your child added to our Blessing Kids Project list and include the names of any other school age students in grade K-6 that reside in your home. Bags will be sent home Friday, October 12th for the first time.

If you have any questions about the Blessing Kids Project, please contact me at 814-473-3989 Ext. 2.

Sincerely,

Melissa Anderson

Elementary School Counselor
