Dear Parents/Guardians:

This letter is to inform you of changes in busing for the next couple weeks. Morning pick up times for riders of Bus 2, Bus 3, Bus 5, Bus 8, and Bus 11 may have a different pick up time than originally scheduled beginning on Monday, March 4, 2019. Afternoon drop off times may also vary. This change will be in effect until further notice.

Your child's temporary assignment will be as follows.

STUDENT	GRADE	BUS	STOP	PICK UP TIME
----------------	--------------	------------	-------------	---------------------

This is an approximate pick up time. Please allow five minutes before and five minutes after the assigned pick up time.

I apologize for any inconvenience that this may cause. Thank you for your cooperation and flexibility.

Sincerely,

Megan P. Hepler
Transportation Director
